

Superior Court of California County of Tulare

Wireless Access: Windows Vista

The court provides a free Internet access point or "hot spot" for the benefit of the Public (during normal business hours) that have portable computers capable of receiving wireless signals. This will allow users to access the Internet from their laptop computers when sitting within range of an access point at all of the Court Facilities. The following is a step by step instructional on how to connect to the wireless network using Windows Vista.

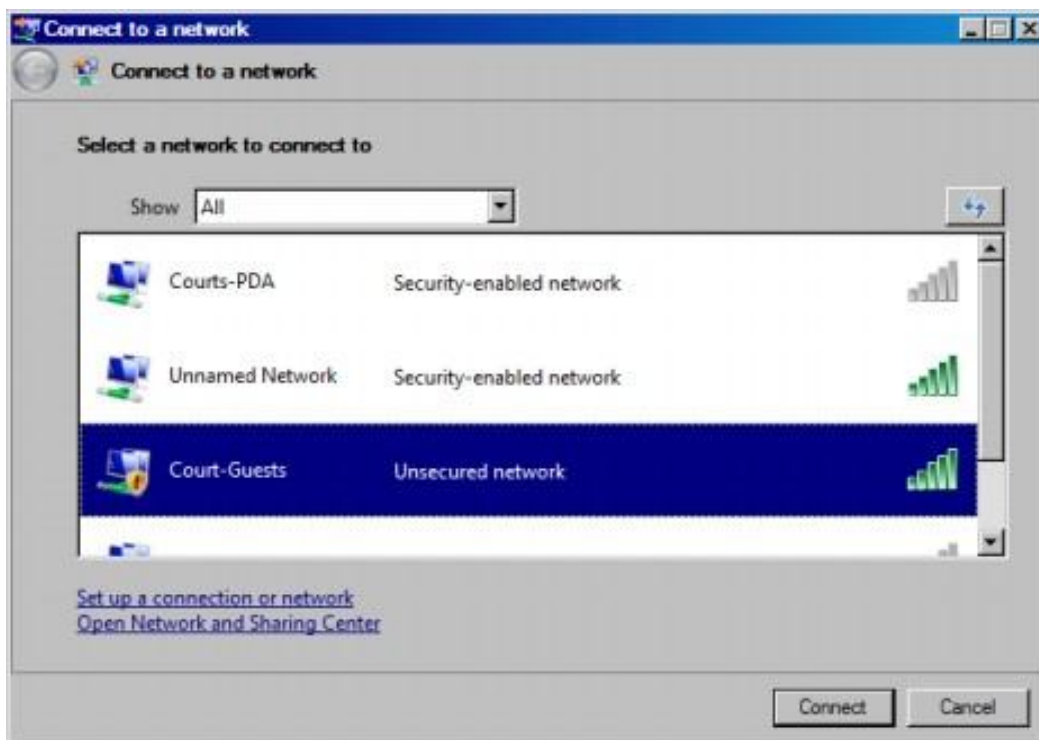

Go to **Start** then **Control Panel** and select **Network and Sharing Center**

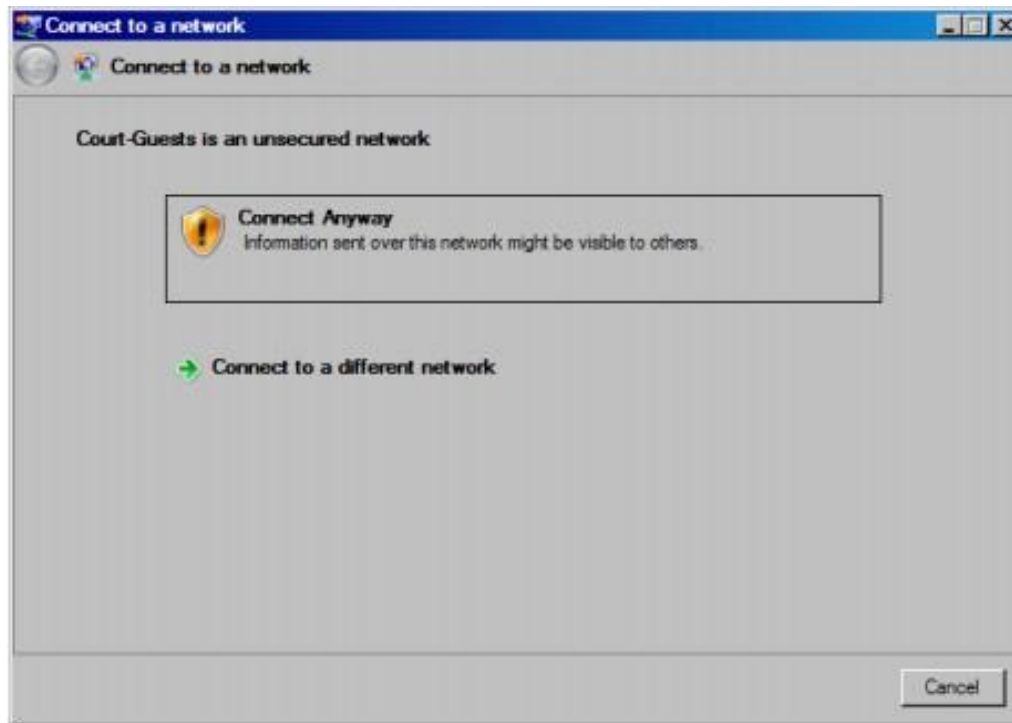

Click on **Connect to a Network** task

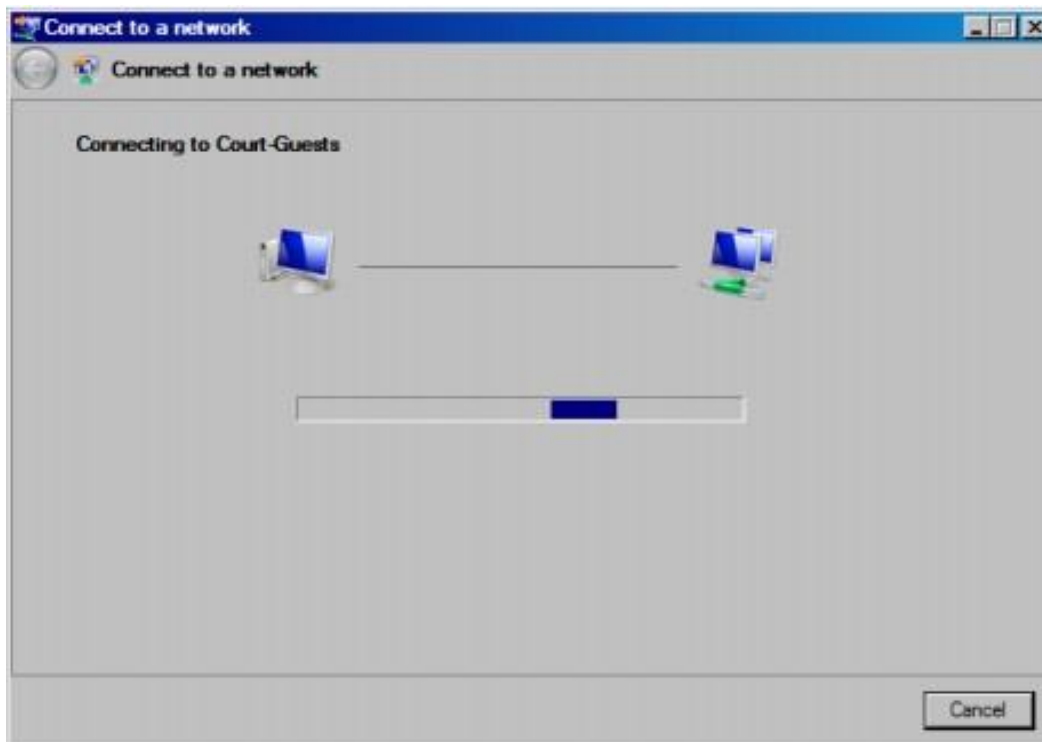

Select **Court-Guests** and click on the **Connect** button.

You may be warned about it being an unsecured network. Click on **Connect Anyway**.

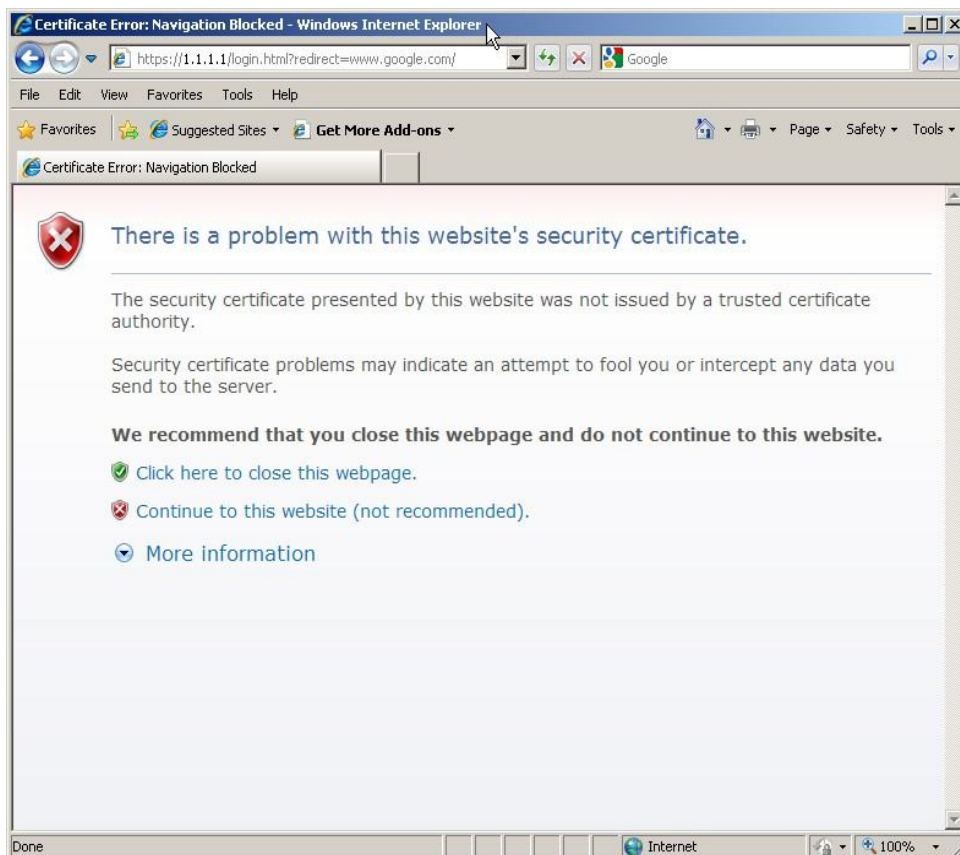

This may take a few seconds...

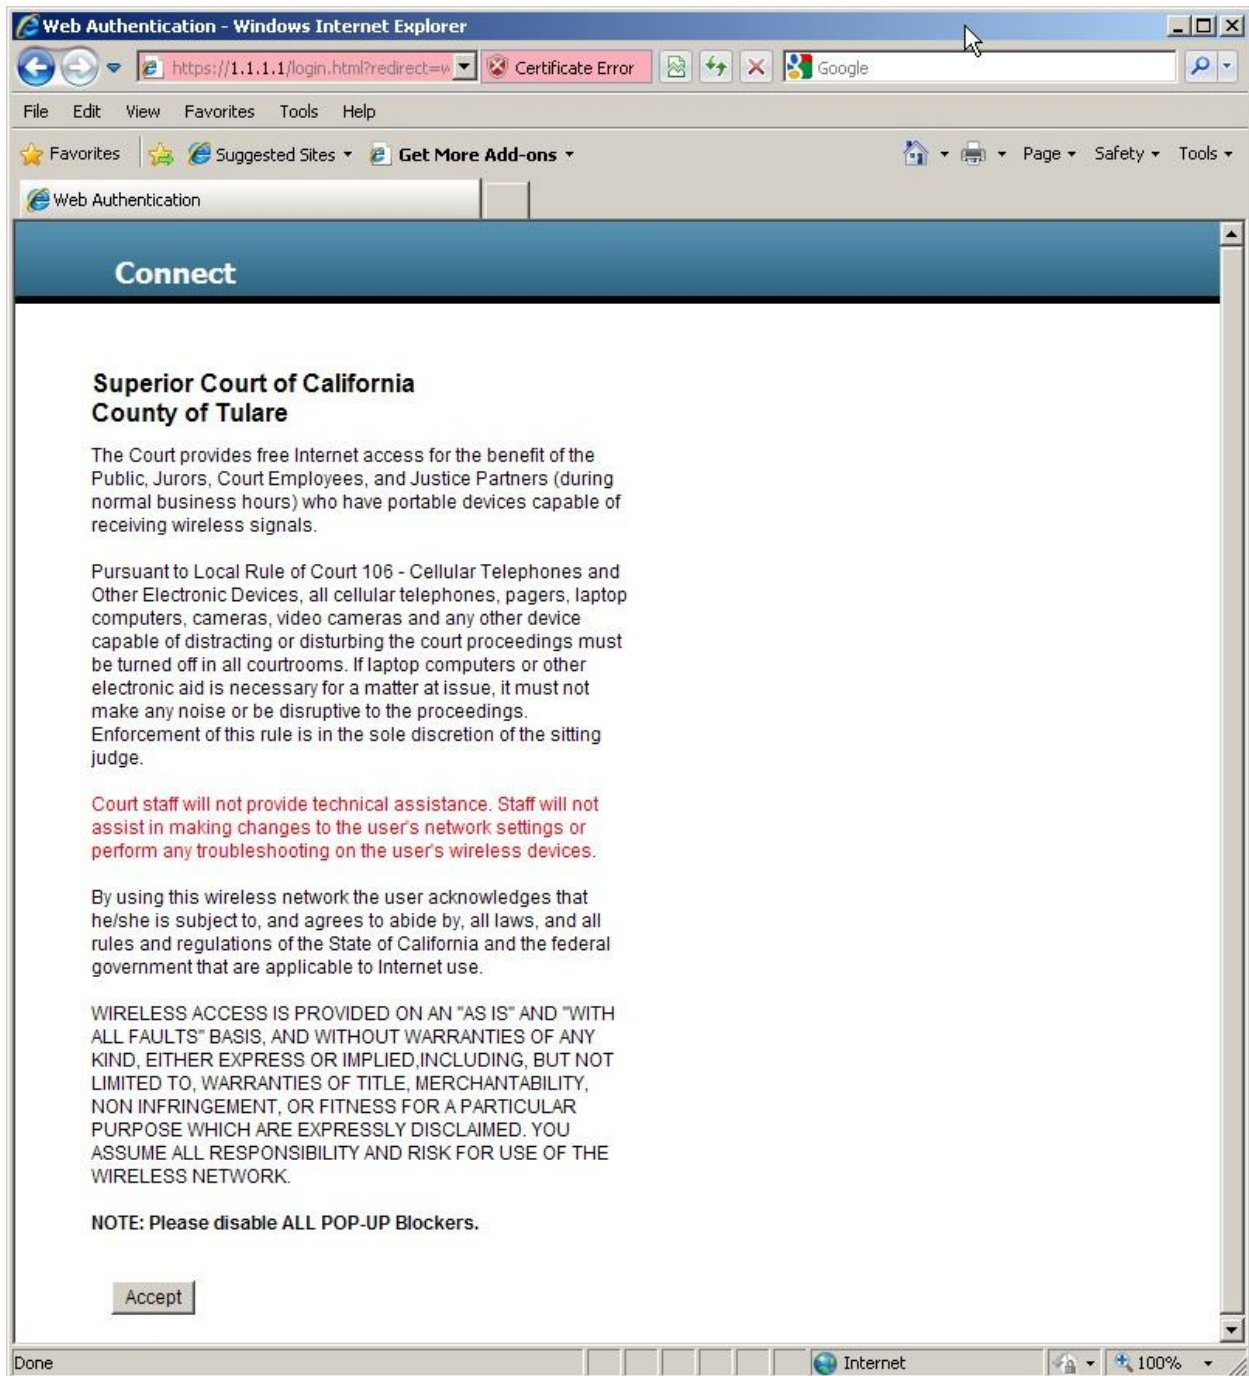

You are now connected. **Click Close.**

Now you need to open up a web browser. You will see a warning about the security certificate which is expected. Click on **Continue to this website (not recommended).**

Read through our disclaimer and then click on the **Accept** button.

You should now be connected to the internet. Have a great day and surf responsibly!
